

- Spearheaded CASnival, an annual event under CAS, raising approximately 18,000 USD from private companies.
- CASnival is a carnival filled with games and food stalls for everyone. Its hosted in Oakridge every year. The selection process for being a part of the core team is competitive with over 120 students to choose from.
- Total of over 2000 attended the event which helped us in raising over \$8000.
- Successfully pitched the idea through a compelling presentation, securing funds for NGOs such as Sarah's Covenant Home, NGO Dhruvansh, and another beneficiary.
- In Sarahs covenant home, the money was used for improving the lives of the people living there. This included food, furniture, etc. NGO Dhruvanshs main goal is making the environment more sustainable
