

My internship at Keypixel significantly enhanced my passion for computer science by offering practical, hands-on experience in Java and AI. I developed strong coding and problem-solving skills, and learned to bridge the gap between theory and real-world applications. Working on projects for Fortune 500 companies gave me valuable insights into the high standards and demands of the tech industry. This experience solidified my decision to pursue a minor in computer science, as it provided a deeper understanding of the field and its impact on business and technology.

Date: July 5th, 2024

To Whom It May Concern,

Dear Sir/Madam,

This is to certify that Sohil Sai Sreerangam has successfully completed an internship at Key Pixel Software Solutions with offices in India and USA from May 13, 2024, to June 28, 2024. During this period, Sohil was employed as a Java and AI Intern in the Software Development Department.

Roles and Responsibilities:

Throughout the internship, Sohil demonstrated a strong proficiency in Java programming and Artificial Intelligence. His key responsibilities included:

1. **Java Development:** Contributing to the development and maintenance of Java-based applications, including coding, debugging, and testing.
2. **AI Projects:** Assisting in the implementation and evaluation of machine learning models, as well as participating in data analysis and model optimization.
3. **Team Collaboration:** Engaging in regular team meetings, code reviews, and contributing to project discussions.
4. **Documentation:** Documenting code, processes, and project progress effectively.

Performance and Skills:

Sohil showed a commendable ability to apply theoretical knowledge to practical scenarios, and his work consistently met or exceeded expectations. He displayed excellent problem-solving skills, a proactive attitude, and a strong willingness to learn. His technical skills in Java and AI were well-developed, and he contributed positively to our projects and team dynamics.

Conclusion:

We found Sohil to be a valuable asset to our team, and we are confident that the skills and experience gained during this internship will be beneficial to his future endeavors. We wish him all the best in his future career.

Sincerely,

A handwritten signature in blue ink that reads 'Bala Srinivas'.
